

Panoramic Plus Sliding Door

The Panoramic Plus Sliding Doors system will change the way you think about sliding doors. This premium, flexible system features an innovative recessed frame designed, incredibly slim 25mm sightlines and the ability handle apertures up to 16 metres wide by four metres high, using two, three or four sashes.

- 25mm sash profile face width
- Frame depth: 57mm standard, or 100mm with optional integrated drainage tray
- Maximum sash size of 4m x 4m with weight of 400Kg (manual) or 700Kg (automated)
- Up to four sliding or fixed sashes per doorset
- Innovative stainless steel roller in frame system guarantees smooth running
- Glazing depth up to 54mm with either double or triple glazed IGUs, offering outstanding thermal and acoustic performance
- Secure multipoint keyed or keyless locking

Opening Possibilities

- Sliding of 2, 3 & 4 sashes.
- Possibility of 1 rail (1 sash+1 fixed light)
- 90 degree Cornerless Opening Option
